PART OF THE SHEPPARD PRATT HEALTH SYSTEM:

## Behavioral Health Therapist, Bilingual (Spanish/English)

<https://www.sheppardpratt.org/careers/>

**Summary:** Join a dedicated team working in partnership with medical primary care providers to help patients address emotional and physical ailments in a personalized and holistic manner. We are looking for bilingual (English/Spanish), caring, culturally sensitive therapists (LCSW-C, LMSW, LCPC, LGPC) with flexibility to see patients in a community clinic. Our setting specializes in caring for patients who are uninsured or receiving public assistance, helping us reach people who need support the most. The integrated behavioral health program at Aspire is a partnership with Mobile Med and part of the Sheppard Pratt Health System.

**Work Schedule:** This position works with adults during afternoon and evening hours, with the opportunity for additional hours seeing clients of all ages at Aspire Counseling, if desired. Parttime and full-time opportunities available. Full benefits package for 30+ hours per week.

### Requires:

- This position requires strong communication skills to coordinate care with medical providers. Bilingual (English/Spanish) required.
- Master's degree and Licensed in state of Maryland: LCSW-C, LMSW, LCPC, or LGPC. Supervision will be provided to therapists with a graduate level license.
