

PART OF THE SHEPPARD PRATT HEALTH SYSTEM:

**Title: School Mental Health Therapist**

<https://www.sheppardpratt.org/careers/>

Summary of Responsibilities:

This position works under the supervision the Director (or his/her designee) of the Linkages to Learning School Mental Health Program. The School Mental Health Therapist/Intern provides clinical services to assigned clients within his or her assigned school based office or in the school building. Services may include: clinical assessments; treatment planning; individual, family, play and group psychotherapy/counseling; crisis intervention; consultation to teachers, administrators, and other school personnel; maintenance of medical records and documentation; and development of summer or after school therapeutic programming. The School Mental Health Therapist/Intern attends all required meetings as well as in-service education for Linkages to Learning and Family Services, Inc. The School Mental Health Therapist/Intern is expected to extend his or her hours, as needed, one late afternoon or evening per week to accommodate the schedules of parents to facilitate family therapy and parent education.

Qualifications: Maintains any one of the following licenses in good standing in the State of Maryland: Licensed Certified Social Worker – Clinical (LCSW-C), Licensed Certified Professional Counselor (LCPC), Licensed Psychologist, Licensed Graduate Social Worker (LGSW), or Licensed Graduate Professional Counselor (LGPC).
