

PART OF THE SHEPPARD PRATT HEALTH SYSTEM:

**Title: Senior Psychotherapist - Clinical Supervisor, Outpatient Mental Health Center - <https://www.sheppardpratt.org/careers/>**

## Summary of Responsibilities:

This position works under the supervision of the Director (or his/her designee) of the Outpatient Mental Health Center (“OMHC”) in Gaithersburg. The Senior Psychotherapist provides clinical services to assigned clients and clinical and administrative supervision to a team of clinicians. Services may include: clinical assessments; treatment planning; individual, family, play and group psychotherapy/counseling; and maintenance of medical records and documentation. Clinical Supervision is provided in accordance to relevant board regulations and under the employment contract of supervisees. The Senior Psychotherapist attends all required meetings and in-service education. The Senior Psychotherapist participates in providing after-hours telephone response (on-call) services to OMHC clients as assigned. The Senior Psychotherapist provides clinical and administrative supervision and clinical case monitoring to OMHC Psychotherapists as assigned.

## Qualifications:

Maintains any one of the following licenses in good standing in the State of Maryland: Licensed Certified Social Worker – Clinical (LCSW-C), Licensed Certified Professional Counselor (LCPC), or Licensed Psychologist.
