## Maryland's Hire a Veteran Month We Will Help You Hire Veterans!

“Our service members contribute expertise to the civilian work place, including much-needed technical and leadership skills, as well as attributes such as reliability, collaboration, and dedication to their job. Our administration is committed to ensuring our Maryland's veterans have access to jobs and other opportunities to support a high quality of life.”

*Maryland Governor Larry Hogan*

### Why should my business hire veterans?

**Work Opportunity Tax Credit (WOTC)** program is a federal tax credit that includes qualified veterans as a targeted group wherein businesses can earn a tax credit up to \$9,600 for each qualifying worker.

**Hire Our Veterans Tax Credit** program provides a state income tax credit to small businesses for hiring qualified veterans based on wages paid to those veteran employees.

**Wounded Warrior Tax Credits** are available to businesses that hire service-connected disabled veterans within one year of military discharge. The credit is 40 percent of the first \$12,000 of wages (up to \$4,800). The

credit increases to 40 percent of the first \$24,000 of wages (up to \$9,600) for firms that hire veterans with service-connected disabilities who have been in receipt of unemployment insurance or compensation for longer than six months.

**Expedited Licensure** for Veterans facilitates the process for qualified veteran and military spouses licensed in other states to obtain certain licenses in Maryland: Occupational and Professional, Emergency Medical, Health Care and Teacher Credential. The Division of Occupational and Professional Licensing will expedite the licensure application process for all qualified veteran and military spouses.
