

WORKFORCE INVESTMENT FIELD INSTRUCTION (WIFI) No. 12-12

DATE: March 28, 2013

TO: Maryland Workforce Investment Act (WIA) Grant Recipients and Subrecipients
Labor Exchange Administrators

SUBJECT: Revised Federal Poverty Guidelines and Lower Living Standard Income Level (LLSIL)

REFERENCES: Workforce Investment Act of 1998, (29 United States Code 2801 et seq.),
Public Law 105-220, as amended
20 CFR 652 – Workforce Investment Act: Final Rule
Federal Register/Vol. 78, No. 16
Federal Register/Vol. 78, No. 53

BACKGROUND: Under Title I of the Workforce Investment Act, the Secretary of Labor annually determines the Lower Living Standard Income Level (LLSIL) for uses defined in the law. WIA defines the term “low income individual” as one who qualifies under various criteria, including an individual who received income that does not exceed the higher of the poverty line or 70 percent of the lower living standard income level. In accordance with the Workforce Investment Act, the U.S. Department of Health and Human Services (HHS) has released the revised 2013 figures for poverty levels and the U.S. Department of Labor has released the revised 2013 LLSIL.

ACTION TO BE TAKEN: All Maryland WIA grant recipients and subrecipients should use one of the attached charts, either the 2013 Poverty Guidelines or the 2013 LLSIL - 70 percent (whichever is higher), to determine if applicants are low income for those programs that require it. These income guidelines are available in the Maryland Workforce Exchange Virtual One Stop (MWE/VOS) system. All intake personnel are to be advised of the changes and refer to the revised guidelines.
