

NOTICE OF INSTALLATION OF A BOILER OR PRESSURE VESSEL (an "Object")

- The INSTALLER of a boiler or pressure vessel shall give written notice (this Form) to the Chief Boiler Inspector AT LEAST thirty (30) DAYS BEFORE installation. The Installer should work closely with the INSURER'S Boiler Inspector during the installation. For boilers, the INSTALLER shall also submit the Installer's Startup Report (ASME CSD-1 App C, available at www.asme.org, 800-THE-ASME, or state libraries.)
- The INSURER shall submit the First Inspection Report (Form NB-5 or equivalent) to the Chief Boiler Inspector when the object is satisfactory.
- The STATE Deputy Boiler Inspector shall re-inspect and conclude the registration process.
- The installation is not complete until the Chief Boiler Inspector issues a Certificate of Inspection.

OPERATION WITHOUT A CERTIFICATE IS A VIOLATION OF LAW AND SUBJECT TO PROSECUTION

- State Law is found in the Annotated Code of Maryland, Public Safety Article, Title 12, Subtitle 9.
- State Regulations are found in the Code of Maryland Regulations (COMAR), Public Safety Article, Title 9, Subtitle 12.
