

# Adult High School Pilot

The **Adult High School Pilot Program** (“AHS Pilot Program”) establishes an alternative pathway for adults **who did not graduate from high school to earn a high school diploma** in an environment that meets the needs of the adult learner. Students may potentially earn post-secondary credits and/or an industry-recognized certification while completing their secondary education requirements.

Students enrolled in an AHS Pilot school must be twenty-one (21) years of age or older, have not earned a high school diploma, and have not completed the requirements for a high school diploma through the National External Diploma Program® (NEDP) or GED® testing program.

The AHS Pilot Program is under the authority of the [Maryland State Department of Education \(marylandpublicschools.org\)](http://marylandpublicschools.org) and the [Maryland Department of Labor, Licensing and Regulation \(www.dllr.maryland.gov\)](http://www.dllr.maryland.gov).

The Adult High School Pilot Program became effective July 1, 2017.

## PROGRAM COMPONENTS:

- Approved HS Curriculum
- Geographic Diversity
- Wraparound Services
- English Language Instruction
- Accelerated Instruction
- Advisory and Coaching
- Performance Standards
