Come Celebrate With Our Team!

We are excited to announce that MOSH is kicking off National Safety Month with a very special event! Join us at our Open House and spend time with the team, including

Department of Labor, Licensing and Regulation

Secretary Kelly Schulz!

Join us for an afternoon of safety tips, demonstrations, information sharing, and networking. Learn about MOSH programs and services, including the Voluntary Protection Program, Construction Cooperative Compliance Partnership Program, as well as our Consultation Unit and other resources to help ensure a healthy and safe workplace environment.
