

If you're interested in a career in Building Maintenance within the Construction Industry, this training could be a good option.

#### 1. Organization providing the training:

Goodwill Industries of the Chesapeake, Inc.

#### 2. Physical location where training occurs:

Community College of Baltimore County- Dundalk Campus  
7200 Sollers Point Rd, Baltimore, MD 21222

#### 3. Description of the training offered:

Goodwill Industries of the Chesapeake and the Community College of Baltimore County have partnered to offer a Building Maintenance Technician training opportunity. This in-person, evening, classroom-based training will last approximately six months, allowing participants to complete accredited college courses, earn an industry credential and obtain employment with one of our employer partners.

#### 4. Trainees have the opportunity to earn the following industry-recognized credentials:

- EPA 608 Certification
- Apartment Maintenance Certification

#### 5. Am I eligible?

Interested applicants should be 18 years of age or older, have a high school diploma, have no felony convictions on their record, be able to pass a drug test, and be willing to learn and work in Baltimore County.

#### 6. What is the application process?

Interested applicants should contact Goodwill's Intake team at [intake@gooddwillches.org](mailto:intake@gooddwillches.org) or call 443-827-2736 to begin the enrollment process with Goodwill. Once enrolled, applicants will then be screened by the program's Career Navigator to assess eligibility and fitness for the program. The pre-screen process will include a TABE Assessment, background check, drug screen, and panel interview.

#### 7. How much can I expect to earn if I complete this program and obtain employment in the Building Maintenance field?

Expected average hourly wage: \$18.00 per hour.

**8: How much do I have to pay for this program?**

There are no costs associated with this program.

**9. Where can I find more information?**
