If you're interested in a career in <u>Cybersecurity</u>, this training could be a good option.

1. Organization providing the training:

Wor-Wic Community College, Applied Technologies Department

2. Physical location where training occurs:

Wor-Wic Community College at 32000 Campus Drive, Salisbury MD 21804

3. Description of the training offered:

Wor-Wic's Cyber EARN program provides access to our credit courses in Cybersecurity topics. We offer a blend of in-person classes, online modules, and hybrid formats, to ensure accessibility for working professionals, career changers, and traditional students alike. A key component of our approach is the integration of hands-on learning experiences, including labs, simulations, and real-world projects. These practical exercises not only reinforce theoretical concepts but also provide students with the skills and confidence needed to succeed in the cybersecurity field. To help bridge the gap between education and employment, the college will facilitate internship and apprenticeship opportunities with local businesses, providing students with invaluable hands-on experience and increasing their employability upon program completion.

4. Trainees have the opportunity to earn the following industry-recognized credentials:

- CompTIA A+ (Core 1 & Core 2)
- CompTIA Network+
- CompTIA Security+
- CompTIA CySA+

5. Am I eligible?

To be eligible for the program individuals must live or work in Maryland and they must be in good standing with Wor-Wic (financial and conduct).

6. What is the application process?

Interested companies or individuals should contact CyberEARN@WorWIc.edu for an application.

7. How much can I expect to earn if I complete this program and obtain employment in the Cybersecurity field?

The average entry level Cybersecurity salary in Maryland, as of July 2024, is as high as $56.90 an hour or $118,361 per year.

8: How much do I have to pay for this program?

All costs including tuition, fees, course materials and exam vouchers are covered so there is no cost to the individual or their employers.

9. Where can I find more information?

For more information, please contact: CyberEARN@WorWic.edu
