

**CardinalHealth**

As a U.S. veteran, you may find that it's challenging to transition from military to the corporate world. Cardinal Health is committed to assisting veterans as they reenter the workforce. We provide several services, from support through training and development, to help you build a successful career path with us. In addition, we assist the veterans we hire with a variety of resources. We also offer support for current employees who may be active service members in the Reserve or Guard.
