

**MARYLAND COMMISSIONER OF
FINANCIAL REGULATION
INDUSTRY NOTICE
REGULATORY GUIDANCE**

July 15, 2024

**NOTICE OF PROPOSED REGULATION:
ELIMINATION OF BRANCH LICENSING**

The Commissioner of Financial Regulation proposes to amend existing Regulations and adopt new Regulations under **COMAR 09.03.02 General Regulations**. The Commissioner of Financial Regulation proposes to amend Regulations under **COMAR 09.03.06 Mortgage Lenders**.

To view the proposed rule, see the [Maryland Register, Volume 51, Issue 14, Pages 515-518 \(issued July 12, 2024\)](#). Licensees should review the proposed rule thoroughly.

The purpose of this action is to modernize Maryland's non-depository licensing system as a result of the Legislature's adoption of Ch. 567 (H.B. 686), Acts of 2023, which amended Maryland's branch licensing, assessment, and bond laws. This action authorizes a business to conduct business at multiple licensed locations under a single license.

Further, this action enhances the Office of Financial Regulation's (OFR's) licensing regulations by adding:

- (1) Definitions for certain undefined terms used in licensing and assessing non-depository businesses;
- (2) A description of the information required to be maintained by regulated persons;
- (3) A description of the process to add, change, or delete a trade name;
- (4) Procedures for the assessment of fees on regulated entities;
- (5) Provisions for locations including mobile units for a check casher;
- (6) Procedures for locations including kiosks for a money transmitter;
- (7) A requirement for the Commissioner to provide a list of licensed locations upon request;
- (8) Procedures for licensing of mortgage lenders.
