**Information on Identification Requirements for Customers of Depository
Institutions: Maryland Extended Deadline for License Renewals**

On June 19, 2020, Maryland Governor Larry Hogan issued [Executive Order number 20-06-19-01](#) (which amends and restates his [March 12, 2020 Executive Order](#)) extending the expiration date for certain licenses, permits and registrations that expire or are eligible for renewal during the state of emergency to “the 30th day after the date by which the state of emergency is terminated and the catastrophic health emergency is rescinded”. The Maryland Department of Transportation Motor Vehicle Administration (MDOT MVA) issued [this statement](#) confirming the continued applicability of the Executive Order.

As such, the Commissioner of Financial Regulation is advising Maryland-chartered depository institutions that they can continue to accept, as valid identification, driver’s licenses and/or identification cards that expired or are eligible for renewal after March 12, 2020.

For questions about this advisory, please contact Teresa M. Louro, Deputy Commissioner, by phone at (410) 230-6022 or by email at teresa.louro@maryland.gov. For more COVID-19 information from the MDOT MVA, see [this FAQ page](#).
