

MARYLAND PROOF OF HOME INSTRUCTION VERIFICATION FORM

You must be at least 16 years of age to register to take the GED® tests. If you are 16 or 17 and are receiving or have completed home instruction: You must provide verification of participation in home instruction by submitting this completed form to the Maryland Department of Labor, Office of Adult Education and Literacy Services.

This form must be completed by the school official of home instruction in the school district where the student resides and must be stamped or embossed with the home school office or school district stamp or official seal. If the online school is not a Maryland public school or approved Maryland private (nonpublic) school, the student must be registered in Maryland as a home-schooled student to participate in the online home school program.
