REVIEW ON THE RECORD

After a review on the record, and after deleting the 2nd and 3rd paragraphs, the Board adopts the hearing examiner's findings of fact. The Board makes the following additional findings of fact:

On June 24, 2010, the claimant told one of his supervisors that he had a tentative offer of other work. The claimant had been looking for something which would allow him to work more steady hours than he had been able to with this employer. He told his supervisor that he would know, in about three weeks, what his start date would be. The claimant offered to stay and train any replacement the employer would hire.
