REVIEW OF THE RECORD

After a review of the record, the Board adopts the hearing examiner's findings of fact. The Board makes the following additional findings of fact:

The claimant felt that he was being harassed by the on-site supervisor. He had complained and the client met to try to resolve the problems. The claimant did not contact the employer when he believed the harassment was continuing.

The Board concludes that these facts warrant different conclusions of law and a reversal of the hearing examiner's decision.
